

Bicton Primary School Covid-19 Response Plan

This document provides our parents and carers with an overview of the processes that will be put in place should we experience a positive Covid-19 case/s at Bicton Primary School. Given the ever changing environment, the below information may be adapted depending on the situation. Please familiarise yourself with the below flow chart and see the following page for further information.

***Communication:** In the event we need to respond, using the above scenarios, you will first be contacted via SMS and further information will be sent via Connect.

***To communicate with our school please email Bicton.ps@education.wa.edu.au or phone 92055800. If outside of business hours, please email and one of our Administration Team will respond accordingly.**

Online Learning Plan Scenarios for Teaching and Learning

Bicton Primary School Learning from Home Plan – Parent Version

Whole School Closure

The classroom teacher will post on Connect a suggested online learning timetable.

If you have difficulty accessing Connect from home, please notify the classroom teacher through email.

To get your child started with learning whilst the issue is looked at, we have included a few resources below;

- [Resources for Year 4 Students](#)
- [Resources for Year 5 Students](#)
- [Resources for Year 6 Students](#)

Small Group Required to Isolate

Scenario 1: TEACHER IS IN THE CLASSROOM WITH ONE CHILD ISOLATING

- If the teacher is at school within the classroom, they will be teaching the remaining students face-to-face as per the usual school day.
- Students isolating at home will be provided learning content through their classroom Connect. Students are also able to access the list of websites on Connect and the links from Whole School Closure column. Students who cannot access these will have a work package delivered.
- The teacher will email or phone to check on the student and answer any learning questions.

Scenario 2: TEACHER IS ISOLATING AND WORKING FROM HOME (ASYMPTOMATIC)

- If the teacher is isolating and working from home and is well enough to teach, the teacher will focus on teaching those students who are also isolating at home and well enough to participate.
- Students isolating at home will be provided with lessons through their classroom Connect. The isolating teacher will make contact through Connect with the isolating students. Students who cannot access will have a work package delivered. Please note: On the first day of isolation please allow the teacher time to get the online content up and running.
- A relief teacher will be employed to teach face-to-face the students who remain in the classroom.

Scenario 3: TEACHER IS ISOLATING AND NOT WELL ENOUGH TO TEACH (SYMPTOMATIC)

- If the teacher is isolating and not well, a relief teacher will be employed to teach the students who remain in the classroom.
- Students isolating at home will be provided learning content through their classroom Connect. Students are also able to access the list of websites on Connect and the links from Whole School Closure column. Students who cannot access these will have a work package delivered.
- The Administration Team and relief teacher will call students isolating to check in and answer any learning questions.
