Engaging with School Staff

Engaging with the School Community

Aspiration

Being the best person you can be, and dreaming big.

- We maintain a positive outlook and attitude.
- We are open minded and respectful.
- We encourage children to be the best versions of themselves.
- We model the school values for our children.

- We are grateful for the opportunities that the school provides.
- We celebrate our child's and teachers' achievements and efforts.
- We engage with school programs that are recommended for our child.

- We support school events where possible.
- We model the behaviour of a proactive community member to our child.

Respect

Caring about everyone and the world around us.

- We look after the environment and keep it clean.
- We provide a clean uniform for our children everyday.
- We follow school processes and rules.
- We take the time to understand other peoples perspectives.
- We talk about school in a positive manner at home.
- We act in a safe and responsible manner.

- We understand that our child is not the only child in the class.
- We respect a teachers time by making appointments and being punctual.
- We build a co-operative and supportive relationship with teachers, leaders and support staff.
- We maintain courteous and honest behaviour.
- We understand that children may and do act differently at home and school.

- We take the time to get to know other parents.
- We engage positively on social media.
- We use appropriate forums to problem solve when issues arise.

Responsibility

Making positive choices for yourself, others and the environment.

- We encourage our children to be independent.
- We seek to understand, not place blame.
- We ensure our children arrive on time and are ready to learn.
- We, as parents, will be a partner to the school in our child's education.
- We provide an environment to compliment the learning, at school and at home.
- We ensure that our child attends school regularly and is punctual.

- We maintain open and positive communication on matters that may impact our child's learning.
- We ensure that our child has all of the equipment they need to learn.

- We are an active, informed participant in our child's education and our community.

Resilience

Bouncing back after challenges and accepting things happen that we can't always control.

- We model resilience for our children at home.
- We seek to understand the perspective of all parties when dealing with conflict.
- We maintain a positive and solution focussed mindset.
- We understand that a child's perception is not the same as an adult's, due to developmental maturity.
