

Lady Lawley Cottage

A vibrant hub FOR youth AND children

Welcome to our vibrant Children & Youth Hub at Lady Lawley Cottage in Cottesloe. We're thrilled to provide a warm and inviting space where children with disabilities (diagnosed, or yet to receive a diagnosis), along with their families and caregivers, can engage with our highly skilled team.

Our hub is all about creating a nurturing and friendly environment, focused on empowering children to achieve greater independence and embrace life's challenges with confidence. Collaboration with families and caregivers is key, as we tailor solutions to meet the unique needs and aspirations of each child.

Our services range from our brand-new Sprouts, pre-kindy readiness group, to physiotherapy, occupational therapy, speech therapy, and autism assessments. We're also excited to offer engaging initiatives such as the 'School's Out' holiday program and art classes. These programs provide a supportive and social setting for skill development, allowing children to thrive alongside their peers and enhance their communication, fine motor, and essential life skills.
