

EXPLORE & GROW: ENRICHMENT GROUPS FOR CHILDREN

Join us for an exciting learning adventure!

Are you looking for fun and enriching activities for your child? Our enrichment groups, led by a paediatric Occupational Therapist, are designed to promote growth, confidence, and skill development in a supportive, fun and calm environment.

Details:

- **Age Group:** Children aged 6 to 12 years old
- **Group Size:** Max 5 children
- **Duration:** Weekly sessions, 45 minutes.
- **Location:** Attadale
- **Days:** Mondays, Tuesdays, Thursdays or Fridays.

**DISCOVER, LEARN
and GROW
Together**

What We Offer:

- **Creative Exploration:** Engage in hands-on activities that encourage creativity and self-expression.
- **Social Skills Building:** Develop communication and teamwork skills through interactive games and activities.
- **Sensory Exploration:** Explore the senses through sensory play and therapeutic exercises.
- **Fine Motor Development:** Improve hand-eye coordination, fine motor skills & handwriting through fun and engaging tasks.
- **Gross Motor Fun:** Enjoy physical activities that enhance balance, coordination, and strength.

Why Choose Us?

Led by a paediatric Occupational Therapist, our groups are tailored to meet the developmental and scholastic needs of your child while fostering a love for learning and social interaction. Groups encourage and stimulate learning, focus and attention.

Enrolment is Limited!

Spaces are limited. To reserve your child's spot or for more information, contact us at: sabrina.ot@outlook.com or call Sabrina on 047 889 5542
