FACILITATOR - EVYN

Evyn has a long history working in medical, defence, education, child development and family settings and for the past twenty years focussed extensively on parenting and fatherhood. During his eight years with WHWS he has co-facilitated Perinatal Anxiety and Depression workshops, offered Couple counselling and worked as a Circle of Security - Group Facilitator. Evyn's personal mantra is 'To create safe, caring, respectful places for children to grow'.
